# CONTRIBUTORS

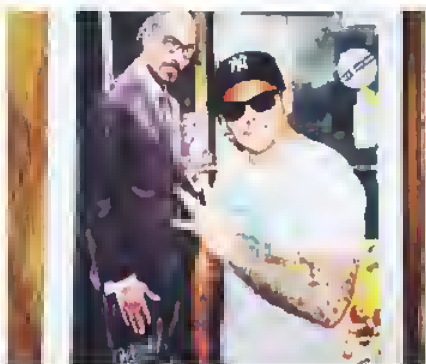

Since **ELLEN JONG** was lauded as a *Surface* "Avant Guardian" in 2002, shooting for magazines and advertising agencies became frequent for the photographer. In 2005 powerHouse Books picked up her first monograph of fine art photographs, *Pees on Earth*, which redirected Jong to focus more on other fine art photography projects. One such project became her second monograph: *Getting to Know My Husband's Cock*. Jong's work also manifests in video, light, and mixed media installation. [ellenjong.com](http://ellenjong.com)

Denim shirt? Check. Aviators? Check. Huge American flag? Check. Set your camera to majestic, **GREG MANIS**. The photographer was born and raised in Northwest Georgia and his photos tell the tale of his upbringing with a raw yet romantic passion. Manis came to New York City after graduating from Savannah College of Art & Design, and is now making a name for himself. He has had his work published in books, various magazines (such as *V*, *Nylon*, and *INKED*), and shown in galleries around the world. [gregmanis.com](http://gregmanis.com)

The lass in the Irish sweater is photographer, artist, and curator **ALEXIS GROSS**. Feisty, private, eccentric, and amused by records, marijuana, motorcycles, skateboarding, and older men, Alexis is a rare bird. Her connection to the skate industry has provided fodder for a portfolio of absorbing imagery. Her portraits showcase a fresh and exciting perspective in a rigid world. She has been featured in or contributed to: *Color*, *Wow*, *Thrasher*, *Foam*, *Complex*, and *Monster Children*, and CO-MUNE/Drop City. [alexisgross.com](http://alexisgross.com)

**MICHAEL RUBENSTEIN** is an editorial and commercial photographer based in Brooklyn, New York. Rubenstein covered South Asia from Mumbai for three years and is now back home in Brooklyn trying to find decent pani puri (so far he's been unsuccessful) while photographing the city his family has lived in since 1890. His life's work has graced the pages of *Mother Jones*, *Time*, *Fortune*, *The Atlantic*, *BusinessWeek*, *German Vanity Fair*, *GO India*, *Vogue India*, and *Le Monde* among others. [mrubenstein.com](http://mrubenstein.com)

Born in Scotland as **STUART MITCHELL** and making a name for himself as **WALNUTWAX** in London, he sees himself as a no-frills guerilla style photographer—using limited resources and relying more on energy and imagination to get results. Walnutwax aims to bring punk rock style back to photography and has been published in *Metal Hammer*, *Front* magazine, and *Purefilth*. His Twitter @walnutwax is full of bon mots such as "'stressed' is 'desserts' spelled backwards," and "Shit! Tattoos are permanent?????" [walnutwax.tumblr.com](http://walnutwax.tumblr.com)

What do *Island Def Jam*, *Nike*, *Complex*, *Dime*, *ESPN the Magazine*, *Downtown Records*, *Everlast*, *Fools Gold Records*, *Nature*, *YRB*, *Sprint*, *People en Espanol*, *The Source*, *Time Out New York*, *Universal Music Group*, *Village Voice*, *WWE Magazine*, and *INKED* have in common? They've hired **CHAD GRIFFITH**. This New York based photographer makes interesting people—such as John Slattery, Travie McCoy, and Derrick Rose—and makes them more interesting. This month he does the same to an "Inked Girl." [chadgriffith.com](http://chadgriffith.com)
